

PHYLLIS CHAPELL & SIORA

Jazz Times calls Phyllis Chapell one of the top jazz vocalists of all time. But jazz is only the beginning... Phyllis Chapell interprets jazz, contemporary & world music classics. Singing in 13 languages, she draws upon the traditions of the U.S., Brazil, Latin America, Europe and the Middle East, and makes them her own. And she is backed by some of the best musicians in the jazz, world, and classical fields.

- ★ "Phyllis Chapell is an elegant singer who will steal your heart away if you let her....tasteful, eclectic and real."
